TVR V8S 2 litres (1993)

16,000 miles

€12,000

I'm selling my TVR V8S 2 litres.

Bought as new directly from TVR, this is a VERY rare model, less than 10 have been produced, and only for the Italian market!!

The car is in excellent conditions, no accidents, used only in summer, very low mileage, breaks completely substituted by bigger calipers and disks, 17" rims and other stuff. Chassis in very good conditions (no sign of rust).

I can give also original 16"rims and the original calipers and disks.
